Rates may differ for smaller mortgage amounts. Interest rates effective as of June 7, 2017. Rates are subject to change without notice. Interest is calculated semi-annually, not in advance. For the purpose of this illustration, the interest rate and annual percentage rate (APR) are the same assuming no cost of borrowing charges other than interest applies. All mortgage products are offered by Royal Bank of Canada and are subject to its standard lending criteria.¹ This is the list price supplied by the builder or real estate professional shown above. Sample calculations are based on the assumption that the property is purchased for the full list price and will differ depending upon actual purchase price. ²Actual cost may differ.
