# A LOFT-LIKE CONDO THAT'S SWEET, BUT NOT COOKIE-CUTTER

We get it, you're tired of seeing the same condo, in the same urban landscape, with the same "feels" over-and-over.

Enter 65 East Liberty Street, suite 514.

A 1 + 1 bedroom condominium in the heart of Liberty Village, this space features 18-foot ceilings (in the living room), thoughtful finishes, a walk-in closet, and walkout to a private balcony.

All-too-familiar with touring condos that have views of another condo building (after condo building)?

At 65 East Liberty Street, #514, your condo has north-facing views of a park, the historic women's prison, and the tree-lined street below. What's more? These views are protected, people, so they can't change over time.
